Dear Vernon:

I thought I would have heard from you by now about the Friday August 24th date. For fear it may have slipped your mind I am writing you. If you want us to come to Baltimore for the date, is there any place near by where we could try that Saturday? You are playing The Stars in Balto, Sunday, and we are in Washington. If you want to try some place the following Monday we will go with you.

Please let me hear from you right away about it, as there are a couple spots around here we can get.

Do you think we should try to get a date in the Baltimore Stadium after the close of the season. We are planning to play until the last of September. Maybe a four team doubleheader after Sept. 9th would go good in Baltimore. Why dont you look into it. I am sure The NAACP could get the stadium, if you cant get it any other way. It is paid for with tax payers money. I believe a good big promotion would really make some money. Let me hear from you about it.

If you gave us nearly a Thousand Dollars last Sunday in that little park imagine what a really big park with comforatable seats and convient transportation would draw.

Will be looking to hear from you,

Very Truly Yours
